To catch an eventful year in the lives of so many people is difficult, but we have tried to capture for you the spirit of your year at Tech. Here is your year around school: familiar faces, beloved places, most of all the cultivation of ideas and of lasting friendships. If the Liongate reminds you of this year, if future years find you referring back to it and smiling, our task has been worth while.

Since this is the initial publication of the LIONGATE, we will give a short account of its christening. The exact name, LIONGATE, was applied to the name of the main entrance to the city of Troy. After considerable research, LIONGATE was selected because the staff liked the size and sound of the word, and because its association bore with it appropriately suggestive meanings of the Trojans.

During the year the club had guest speakers who had lived or traveled in foreign countries. Two of the guests were Miss Iva Winterfield and Mrs. Esther Lygre. The club's annual Christmas Program was held on December 17 in the practice cafeteria.

On April 27 the club gave a Spanish Program for the student body. Members also sold stickers to help raise money for the centennial floats.

During the past year, the Red Cross council was active in projects throughout the city. The council members, together with their officers, visited various institutions such as the Children's Ward at the University of Nebraska Hospital and the V. H. Trussel Home for the Aged during Halloween, Thanksgiving, Christmas, Valentine's Day and various other holidays. On these occasions, the members took gifts and favors to the patients and residents. Also during the Christmas season, the council members made up two complete dinners for needy families. The Tech council was host to the other high schools' councils at a Christmas party following the December Inter-City meeting which was held at Tech.

The council helped at the Red Cross Blood Center. Every Tech student took part in the annual roll call and membership drive which made Tech a 100 percent Red Cross school again.

As a final project, the Tech student body, led by the Red Cross council, filled 125 gift boxes which were sent overseas to help needy persons.

The officers were: President, Genevieve Abboud; Vice-President, Margie Snyder; Secretary, Joanne Placek; Treasurer, Joyce Stroud; Inter-City Reporter, Carol Raddle; Sponsor, Miss Margaret Baldrige.

The 1953-54 Student Council was under the direction of Mrs. Ruth Herman the first semester. She relinquished her post the second semester after serving three and a half years as council sponsor. The second semester the sponsor was Dr. Ira Jones, with Mr. George Laitner as the classroom advisor.

The Council engaged in numerous activities during the year. The first pep rally was sponsored by the council and the first dance of the year, "The Third Annual Fall Opener." Another important project of the Council was the setting up of the Student Commission, as a separate, independent organization, with its own officers, instead of being merely a part of the Student Council. Throughout the year this group sold Trojan decals and provided members to work in the lunchroom along with the teachers. They carried on locker inspection programs, and presented awards to those having perfect attendance and those who made the honor roll.

They helped with the Community Chest, stuffing envelopes for the homerooms. The Student Council provided ushers and helped to sponsor both Freshman Night, (for new freshmen and their parents), and Open House, held November 11. At Christmas the council was especially busy. They operated records in the lunchroom, and decorated the tree in the lobby. The council has always sponsored the annual Christmas dance, and did so again, naming it the "Holly Hop."

## Pigskin Parade

Coach Bob Anderson took the helm of the Trojan footballers for the first time this year after the retirement of former coach Dutch White. "Andy," as he is best known, led his charges to a satisfactory season with 2 wins, 1 tie, and 5 setbacks.

Tech opened the 1953 campaign by upsetting a favored Benson team 13-8. The Trojans were then put on the city forecaster's list as an upset team.

Tech next saw action against Abraham Lincoln of Council Bluffs. The Trojans were masters of the first half, but wilted in the final stanzas, to be defeated 20-12.

The Cuming Street Kids then met powerful North on the Benson field and the Tech lads were rebuked in their try for their second inter-city win.

Tech went on the first of two road trips of the season and returned to the school campus with a 6-0 victory over Sioux City Central. Fine defensive work saved the Tech victory.

South High furnished the opposition at Municipal Stadium as the Trojans rambled to a tie with the Packers 6-6. Extra-pointitis crippled the Tech outlook for a victory.

Central then nudged the Tech Boys in one of the oldest rivalries in the city, 7-6. Again the extra point was the cause of defeat.

Creighton Prep then stampeded past the Maroons, 33-7. Prep was the top team in both the city and the state.

One Tech player was awarded the honor of being placed on the World-Herald All-State team. He was hard-running Jack Hansen. Jack also received honors as the outstanding prep player in the city by WOW-TV, and was named an Inter-City team halfback.

End Carl Hinsley received recognition from WOW-TV as one of the outstanding city ends.

Players who were consistent threats to other teams beside Jack and Carl were: Charles Soliday, Sam Amato, LeRoy Freemyer and Jack Swanson.

## Frosh Football

Tech's Freshman Football Team finished a successful season with a two win, one loss, and two tie record. The L'il Trojans held their opponents to two touchdowns throughout the entire season.

The young Maroons tied South 0-0, tied Central 0-0, bopped Creighton's Little Prepsters 13-0, and caused the Bunnies to hop by downing them 13-0. Their only loss, and the only game in which they were scored against, was to North. The Techsters lost a 12-0 verdict.

Coach Neal Mosser stated that the outstanding thing about the team was their tremendous defensive strength.

The outstanding player of the year was Bobby Langfeldt. Every member of the team is to be congratulated for his fine work, however.

# Girls' Sports

Another year full of girls' sports activity, which to many a young girl has meant enjoyment and sorrow, has ended. But new stars will be there to take the place of the old ones; with the thought in mind, to participate in a good sport and to become one.

Sports that were participated in this year were

sottball, volleyball, basketball, advanced and beginning badminton, tennis, archery, swim, and table tennis. Modern dancing and tumbling were the newest activities to be added to the girls' program.

This year has been very successful in all of the sports that were offered.

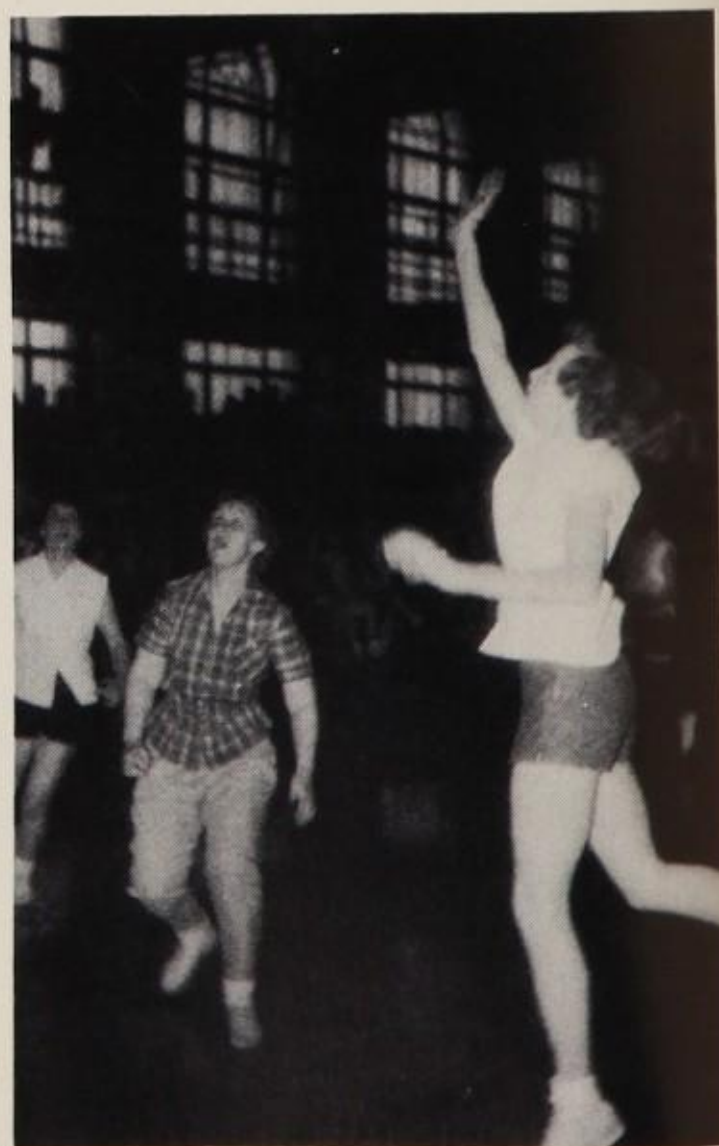

## Basketball

One of the most enjoyed sports played by both boys and girls is basketball. This year, for the girls interested, there was lots of action in the girls' gym. When the teams were organized, there was a practice game for the girls to warm up, then the tournament began.

The teams that participated were the Hey-Hey-Be-A-Champs, the Morons, the Junior Globe Trotters, the Eight Balls, Joy Neuhaus' team, and Percilla Beddow's team. The Hey-Hey-Be-A-Champs won the final game which meant that they were the basketball champions.

# Volleyball

Left to right, Second Row: King, Stewart, Anderson, Hunter, Martin. First Row: Brown, Harris, Wead, Goodwin, Bolte.

With the coming of another school year, things began to happen in the girls' gym. An article in the bulletin read, "All girls interested in volleyball come to the gym after school." About sixty girls came. The organization of the teams was easy. Then the tournament began with each team playing all others twice. The teams participating were the Morons, the Hey-Hey-Be-A-Champs, and the Fireballs.

The Hey-Hey-Be-A-Champs won the final game making them the champs of volleyball.

# Tumbling

One of the most popular activities of the winter season was the tumbling class. After the first few lessons many of the tumblers found muscle aches. However, by the end of the class it was quite amazing to see the stunts the class members performed with the greatest of ease. This year for the first time the freshman cheerleaders were required to enroll in the tumbling class.

# Archery

Left to right: Doi, Neuhaus.

This season, for the girls interested in the sport of archery, there was much activity. There were approximately 15 girls who went out for the sport. Archery takes a lot of muscle and energy. Mrs. Burdette Norton, the instructor of the archery class, found it very interesting to watch the way the girls reacted to this sport. The girls also found it very interesting, but found some very sore muscles after the first few days. The class lasted eight weeks.

# Badminton

"Watch the birdie!" "Swish!" That is what was happening in the girls' gym after school on Thursday during the winter activity period. Badminton takes lots of pep and energy but the girls were equal to it. Following several practice periods they were all entered in a double elimination tournament. The final game was played between unbeaten Sophomore Roberta Longmore and once beaten Sophomore Marlene Gottula. Roberta kept her perfect record by defeating Marlene, thus becoming the Tech High badminton champion for 1954.

## To the Coaches

"What is a coach?" A question of numerous answers isn't it? Here's the most common: "A coach is a man or woman who is expected to take charge of a group of young people and produce from them a winning team."

A better definition is found in the following: A coach is a person in charge of a sport who is expected to build the character of mind and body

of his team. If a coach can succeed in making athletes good Americans, he has won the greatest and highest award of all.

So, to the Tech mentors, Congratulations for your fine contributions and whole hearted effort in bringing sportsmanship and winning teams to Tech High.

One of the all year around sports played was table tennis. This sport, otherwise known as ping pong, was played in almost all recreational activities. This year the sport was played in tournament style. The final games were played and a champion was selected. This year's championship went to Margaret King, who was a Freshman. The runnerup spot went to Denise Martin, who was also a Freshman.

Left to right, Third row: Beddow, Cook, Steele, Buckner, Johnson. Second row: Harris, King, Barna, Rhodes, Ohnmacht, Ranslem, Hauschild, Partusch, Clatterbuck, Anderson, Tsuji, Anderson, Witcheff, Jones, Walker. First row: Hunter, Martin, Hunter, Goodwin, Croaston, Vance, Longmore, Luxford, Gottula, Johnston, Marion, Weston, Abrams.

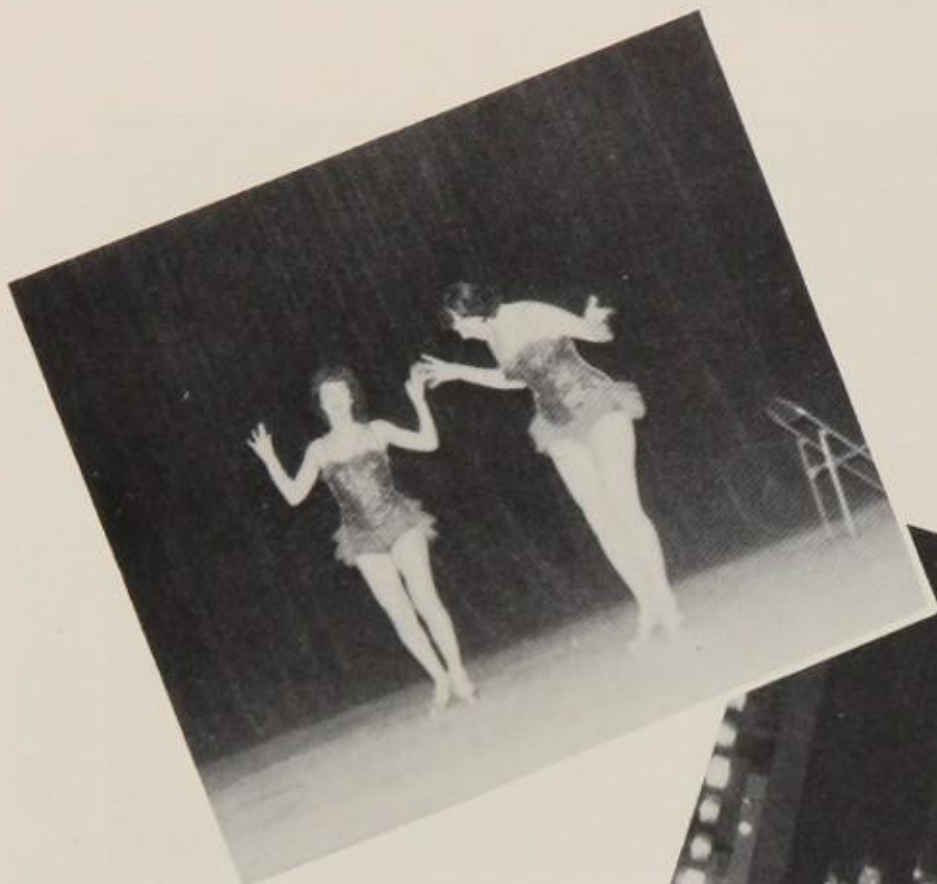

Ball three! Strike two! That was the count with two minutes left to play, the game tied, and no one on base. These were some of the exciting moments which determined whether a team would be the champion or not. The girls turned out in a great capacity for this activity. There were more than 40 girls who signed up for this G.A.A. sponsored sport.

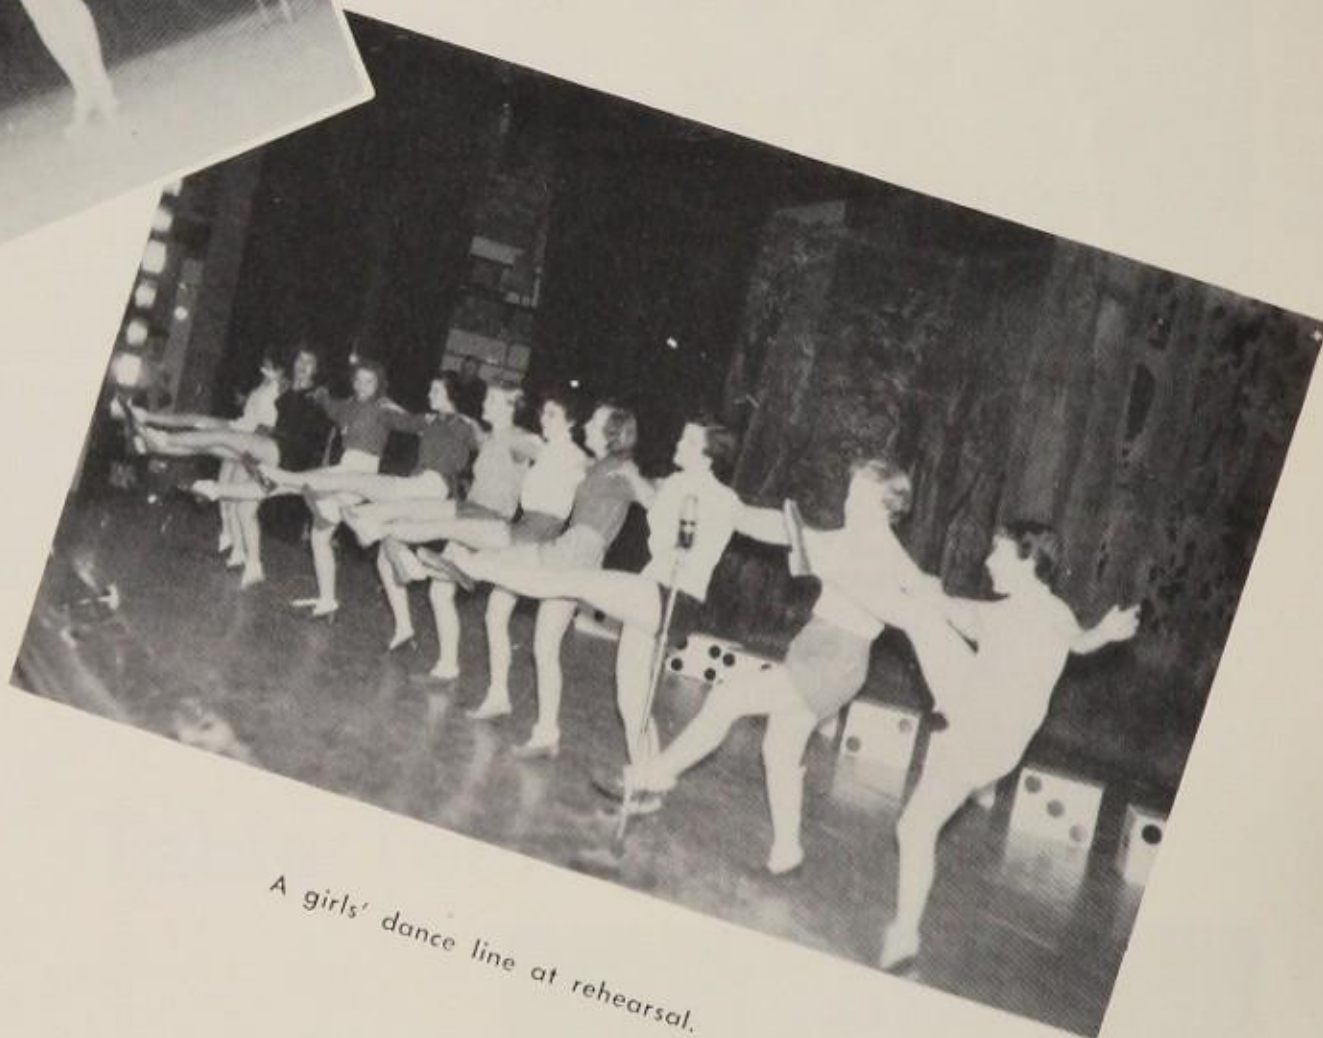

Mrs. Burdette Norton headed the play and was very pleased with the girls' turnout.

The usual argument with the umpire is shown here during softball practice.

## Starlift

The annual Starlift Talent Show production put on by a cast of over 200 students was presented April 8 and 9.

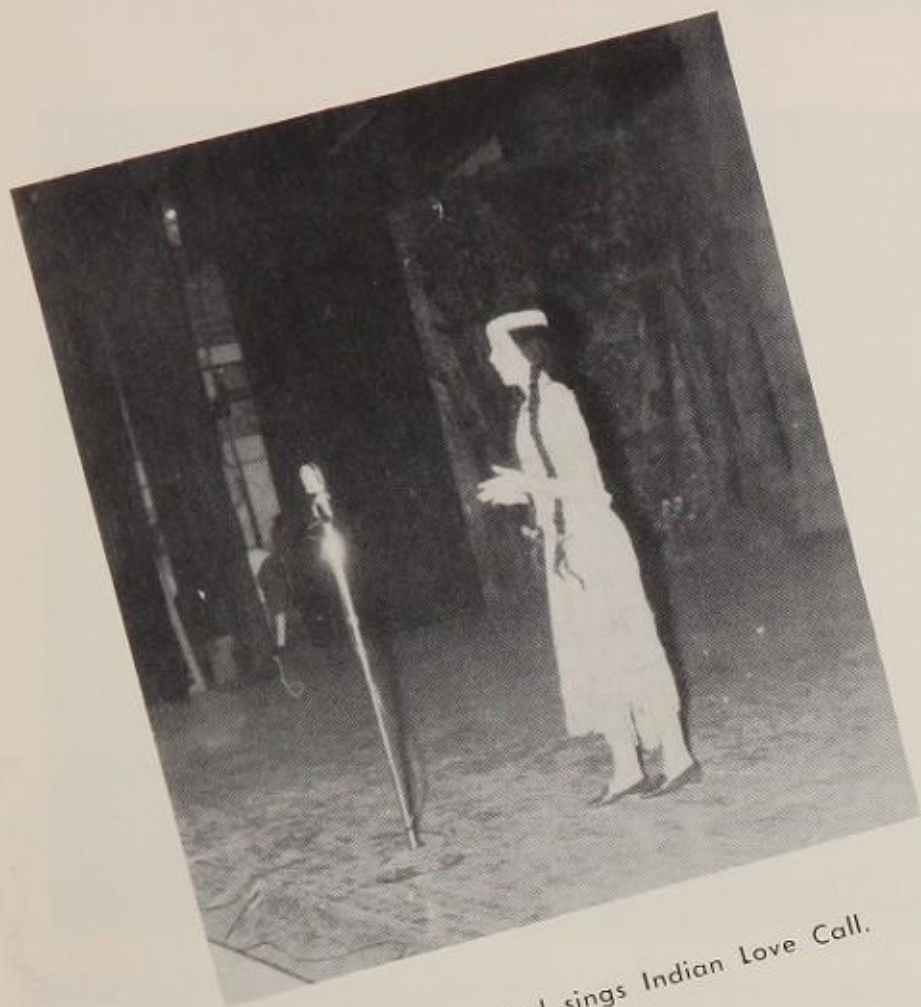

The theme was Centennial, and the plot of the show was based on a hundred years of progress including a glimpse into the future.

A matinee performance was presented to stu-

dents and an evening performance for the general public.

Mr. Davis and an efficient stage crew made for a more interesting show. A newcomer to Tech, Miss Eileen Wolfe, had her first attempt at staging a Tech production and was quite successful.
